SALE INFORMATION

Over the many years this sale has operated, some of the finest herds of the country have been improved by purchasing their best cattle from this sale. Many other herds have been almost entirely built from cattle from this sale. From these purchases, and their descendants, have come Show and Sale Champions for many different herds; but what is more important, the buyers have found the Shenandoah Valley a place to obtain sound breeding cattle with best of pedigrees.

This year, we have several successful 4-H heifers that are being sold so that the owners can replace them with younger cattle.

I hope we can welcome you April 8th.

BLOOMFIELD AUGUSTUS x - This bull is probably the first polled son of the \$36,000. Louada Nugget ever to sell at auction. His only other polled son to date is the well-known Constellation of Pen-Y-Bryn x at Pen-Y-Bryn Farm. This bull has the great head and smoothness typical of the Nugget cattle. His dam is a top imported cow from a fine family and an exceptional milker. Her sire was the foundation sire in the Bapton Polled Program, and also sired the 2600 lb. Clipper King of Bapton x. Her dam also produced Bapton Captivator, sold for \$11,000.00 in Scotland. We are retaining two daughters of this cow in the herd. The opportunity seldom arises to buy a bull with a pedigree such as this. Bloomfield Augustus x had an adjusted 365 day weight of 920 lbs.

BLOOMFIELD RANSOM MAID x - Just a youngster and a heifer's first calf, this female has quite a background. Her sire, the imported Constellation of Bapton x is surely one of the top polled sires in North America - he sired the famous Captivator of Bapton x at Sutherland Farm, 7 sons averaged \$2,050.00 at the Gloriadale Sale, & another son Gloriadale Bonaparte x was recently sold for the world's record price for a polled bull \$30,000 to Tutira. Bonaparte's dam, Gloriadale Ransom Maid 5th x is great Grandam of this heifer. *Nearly black nose - light toned.*
